

We Love Ethical T-shirts

■ Dorset-based, socially conscious clothing label **Frank & Faith** spawns an awesome tiger T-shirt, £38. www.adili.com

■ **Komodo** and homeless charity **Shelter** team up to create a festival must-have: a T-shirt, £25, of the much-lamented super-DJ John Peel on sale at Glastonbury's John Peel Field and www.roughtrade.com

■ **Howies** has launched the website www.teepay.com.

Designers submit T-shirt ideas; if enough people order then they get made. Like this balloon toy T-shirt, £25.
